PAINTING

Dive into a world of creativity and fun with our painting sessions, adjusted to work perfectly for hen parties!

Choose your favourite design and get ready to unleash your inner artist over an engaging 2 to 2.5 hours. Our sessions are fully guided, ensuring that each of your guests, regardless of their artistic background, will create a masterpiece to cherish forever.

These sessions are designed to be accessible and enjoyable for everyone, even those who have never held a paintbrush before. It's the perfect way to make memories that will last a lifetime, all while creating a personal piece of art that you can take home.

Whether you're a complete beginner or a budding artist, our painting sessions offer a unique, fun, and memorable experience that will add a splash of creativity to your hen party.

LIFE DRAWING

Spice up your hen party with our cheeky life model drawing session! It's a fab way to mix art, giggles, and a touch of the risqué. We'll guide you through various drawing techniques, from the bold strokes of abstract to the fine lines of realism. Then, it's your turn to focus on your favourite body part and sketch away. Don't worry, we'll bring all those individual masterpieces together to create one epic, collaborative art piece that'll have everyone talking!

Choose your muse: a male or female model, usually in their birthday suit, to add that extra sizzle to your session. It's the perfect opportunity to let loose, have a laugh, and maybe discover some hidden artistic talents among your friends.

Keep in mind, this cheeky adventure takes place exclusively at our venue—to keep our models comfortable and the vibe just right. While we can't promise a specific model (it's all about their availability), we guarantee a fun, memorable experience. So, come ready to sketch, laugh, and maybe blush a bit—it's going to be a hen party like no other!

Get naked. Unless your just visiting. Don't get naked, that would be weird...

DRAG

Get ready to dazzle and be dazzled with our fabulous drag option for your hen party! This isn't just any event; it's a spectacular blend of drag bingo and a mini painting activity that will have everyone in stitches and strokes of brilliance. Picture this: the glamour, the sass, and the sheer fun of drag, combined with the creative flair of painting our very own drag muse. It's an experience that promises laughs, art, and maybe a little bit of glitter!

We're rolling out the red carpet for this one at two of our exclusive venues, each setting the perfect stage for an unforgettable night. Whether you're bingo buffs, art aficionados, or just in it for the fabulous vibes, our drag option has something for everyone.

So, gather your queens and come ready to play bingo like never before, with cards filled with cheeky challenges and fabulous prizes. Then, channel your inner artist as you capture the essence of our drag muse on canvas, a keepsake to remind you of a night filled with joy, creativity, and a touch of fabulousness.
